## Jesus Feeds Five Thousand with five loaves and two fish

In today's Gospel reading, the disciples see all the hungry people who had come to listen to Our Lord and to be healed. They know that they can't feed them all, so they ask Jesus to send them to the towns to buy food. But Jesus isn't limited by nature, because He is God. He blesses a bit of bread and fish and it becomes enough to feed over five thousand people!

Our Lord was showing us that He will provide for all our needs if we listen to Him, just like it says in today's reading from the prophet Isaiah. In this story He was providing for the people's bodily needs, but He also provides for our spiritual needs.

In Holy Communion, Jesus gives Himself to us for spiritual food. Just like He could do the miracle of feeding the five thousand, He works the miracle of turning bread and wine into His Body and Blood for us at every Mass. Now He feeds millions of people all over the world with Himself!
